Dear Brother Mulvin:

Thank you for your kind words of support for the struggle of American postal workers. We are fighting for the survival of a great public institution that serves all of our citizens – rich or poor, urban or rural. A congressionally-manufactured crisis threatens the Postal Service and hundreds of thousands of stable, middle-class, union jobs.

We appreciate your support, and support Canadian postal workers in your struggle for a fair contract and pay equity.

Thank you.

In solidarity,

  
Cliff Guffey  
President
