Dear Sisters and Brothers,

I am sending this on behalf of the 3,000 members of the Vancouver Local of the Canadian Union of Postal workers. We represent postal clerks, letter carriers, and postal technicians in the Vancouver B.C. Canada area.

I am writing to you to support your struggle to save the United States Postal Service. We are standing with you in your efforts to stop corporate America from stealing the postal service. We strongly endorse your demand to repeal the congressional mandate forcing the USPS to prefund retiree health benefits 75 years in advance.

The Vancouver Local of CUPW has become aware that postal workers and their allies are taking part in a hunger strike to stop the weakening of the USPS. We are sending the hunger strikers and their supporters our greetings of support and solidarity.

Your struggle is our struggle.
